# VISION 2025

# VISION

## OUR MISSION FROM GOD

As a church we...

recognise that we get caught up in **God's mission** in the context of being both a gathered and sent church

recognise that we have around **104 hours** a week of "sent every member" mission

engage with God's mission as **worshipers** who serve God alone seeking first his kingdom

Our vision is a means of implementing our God given mission to the world

Prophetically we anticipate CBC being a church that is large, converted, instructed, missionary hearted, and set to work for the glory of God.

## OUR PRAYER

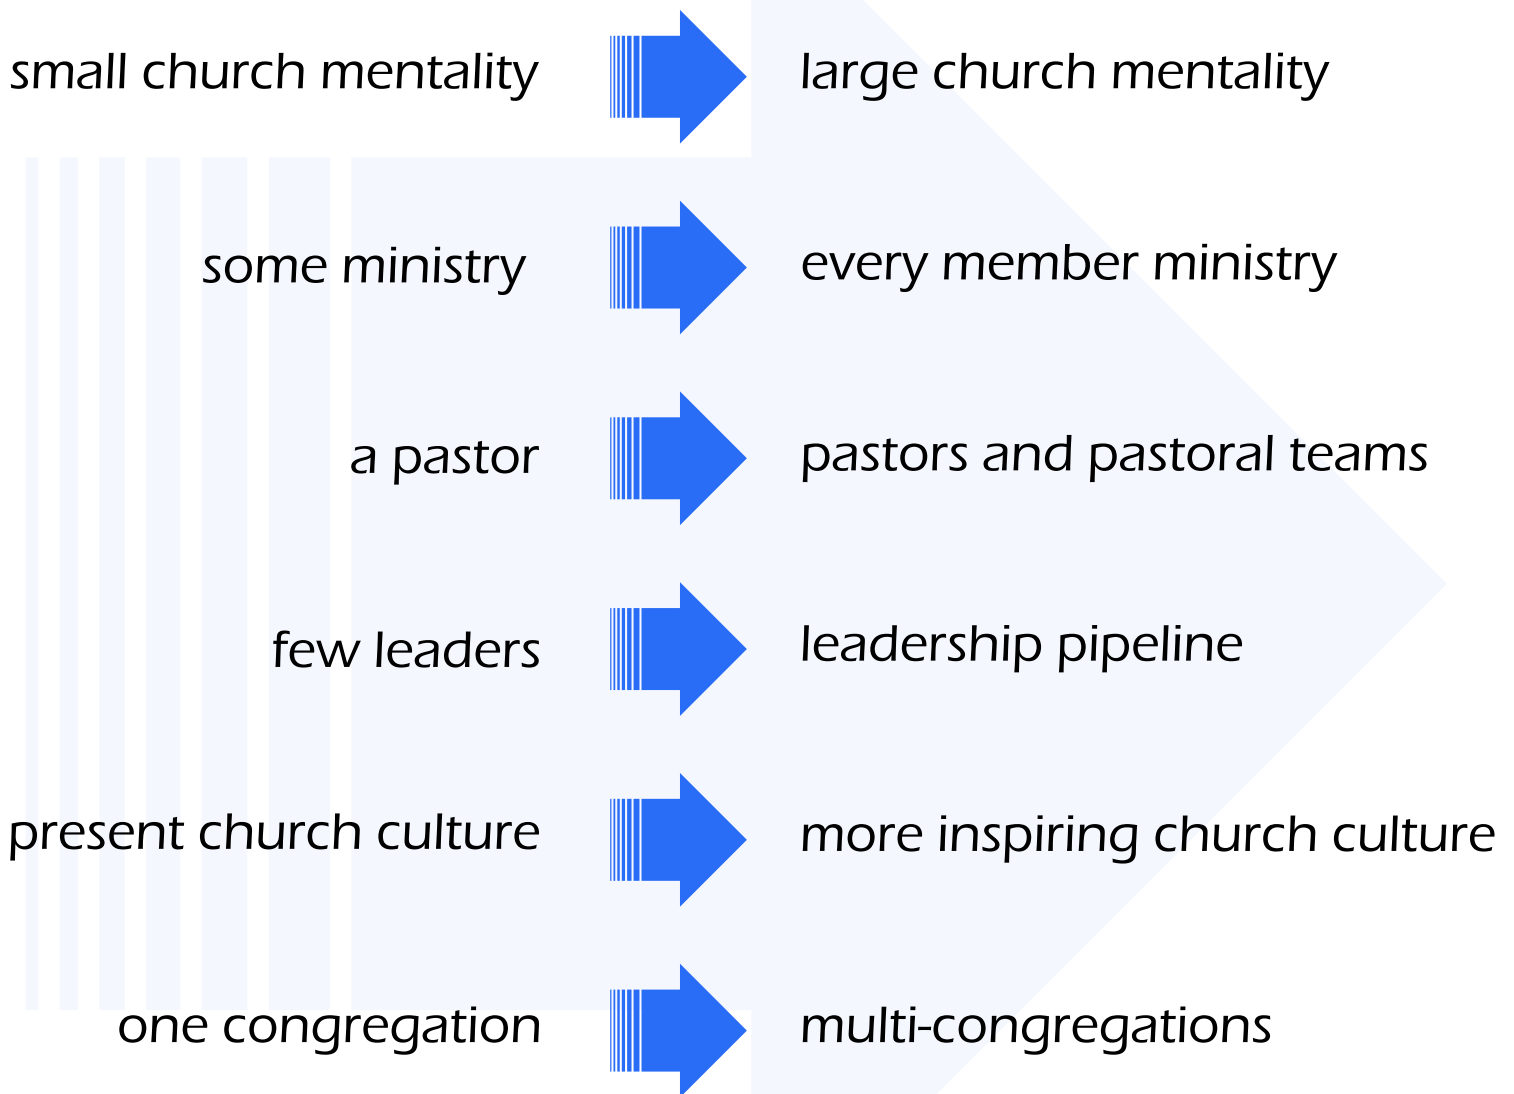

We pray that...

- God would grow his church as a disciple making community
- We would see greater conversion growth, over transfer growth
- We would measure this growth through believer's baptism
- We would impact the un-churched
- We would use our buildings and investment effectively for God's Kingdom
- We would align ourselves more to New Testament evangelism
- There would be a new release of people into mission, ministry, and Christian leadership
- There would be greater missional creativity
- We would adopt a pioneering spirit within the church
- Vision would stretch our faith, prayer and action
- We would serve our town and region as a centre of gospel mission

Amen.

## MOVEMENT & CHANGE

# 2025

## MORE THAN ACTION

We seek a deep passionate relationship with Jesus.

As we embark on this new journey we are reminded of the need for our actions to flow out of a real, alive relationship with God so we can be a people of influence.

Jesus says

**"I am the vine; you are the branches. Those who remain in me, and I in them, will produce much fruit. For apart from me you can do nothing."**

John 15:5
