5 th	Thank God for all staff in the NHS, Ambulance crews, Community Nurses, Care Homes, Medical Centres and Pharmacies who have worked so hard and put themselves at risk in caring for the community in Clevedon during the pandemic
6 th	That the Lord would use this time of separation, and for some people a wilderness experience, to draw close to Him and put our trust in Him more and more
7 th	That the Lord would give the Government wisdom in putting in place measures which will make our streets and public places safe for girls and women to walk without fear and that perpetrators of violence towards women will be prosecuted

9 th	Pray for teachers as they work out how to support their students through teacher-based assessments instead of formal examinations
